    Almost Heaven,     West Virginia,    Blue Ridge Mountains, Shenandoah River
G                     Em                  D                          C          G
    Life is old there, older than the trees, younger than the mountains, blowin' like a breeze

                    G                D          Em     C
            Country Roads, take me home, to the place I belong
                   G                D              C            G
            West Virginia, mountain mama, take me home, country roads

G                    Em                    D                C              G
    All my memories      gather round her,    miner's lady, stranger to blue water
G                    Em                D                          C              G
    Dark and dusty, painted on the sky, misty taste of moonshine, teardrop in my eye

                    G                D          Em     C
            Country Roads, take me home, to the place I belong
                   G                D              C            G
            West Virginia, mountain mama, take me home, country roads

        Em              D            G
              I hear her voice in the morning hours she calls me
               C        G                D
        The radio reminds me of my home far away
              Em              F          C              G
        And driving down the road I get a feeling that I should have been home
