    Almost Heaven,     West Virginia,   Blue Ridge Mountains, Shenandoah River
G                     Em                  D                          C           G
    Life is old there, older than the trees, younger than the mountains, blowin' like a breeze

            G                D          Em     C
    Country Roads, take me home, to the place I belong
            G                D              C              G
    West Virginia, mountain mama, take me home, country roads

G                     Em                  D                  C                G
    All my memories      gather round her,    miner's lady, stranger to blue water
G                     Em                D                          C              G
    Dark and dusty, painted on the sky, misty taste of moonshine, teardrop in my eye

            G                D          Em     C
    Country Roads, take me home, to the place I belong
            G                D              C              G
    West Virginia, mountain mama, take me home, country roads

        Em              D              G
            I hear her voice in the morning hours she calls me
            C        G                D
        The radio reminds me of my home far away
            Em               F          C              G
        And driving down the road I get a feeling that I should have been home

        Yesterday, yesterday

    West Virginia, mountain mama, take me home, country roads

            G                D          Em     C
    Country Roads, take me home, to the place I belong
