

Already Gone

Eagles

||: G | D | C | :|| 2x

Well, I heard some people talking just the other day
And they said you were gonna put me on a shelf
Well, let me tell you I've got some news for you, you'll soon find out it's true
And then you'll have to eat your lunch all by yourself

'Cause I'm already gone
and I'm feeling strong
I will sing this victory song
Woo hoo hoo, my my, woo hoo hoo

The letter that you wrote me made me stop and wonder why
But I guess you felt like you had to set things right
Just remember this my girl when you look up in the sky
You can see the stars and still not see the light, that's right

'Cause I'm already gone
and I'm feeling strong
I will sing this victory song
Woo hoo hoo, my my, woo hoo hoo
