

Barely Breathing

 Em7
I know what you're doing
 A7
I see it all to clear
 C2
I only taste the saline
 D2
When I kiss away your tears
 Em7
You really had me going
 A7
Wishing on a star
 C2
But the black holes that surround you
 D2
Are heavier by far
 Em7
I believed in your confusion,
 A7
You were so completely torn
 C2
Well it must have been that yesterday
 D2
Was the day that I was born
 Em7
There's not much to examine,
 A7
There's nothing left to hide
 C2
You really can't be serious
 D2
if you have to ask me why
 FM7
I say good-bye

CM7
'Cause I am barely breathing
G
And I can't find the air
Am
I don't know who I'm kidding
FM7
Imagining you care
CM7
And I could stand here waiting
G
A fool for another day
Am
But I don't suppose it's worth the price,
worth the price
FM7 FM7 FM7 FM7
The price that I would pay

Em7
Everyone keeps asking
A7
what's it all about?
C2
I used to be so certain
D2
and I can't figure out
Em7
What is this attraction?
A7
I only feel the pain
C2
There's nothing left to reason
D2
and only you to blame
FM7
Will it ever change?

CM7
'Cause I am barely breathing
G
And I can't find the air
Am
I don't know who I'm kidding
FM7
Imagining you care
CM7
And I could stand here waiting
G
A fool for another day
Am
But I don't suppose it's worth the price, worth the price
FM7
The price that I would pay
C G Am
But I'm thinking it over anyway
FM7 C G Am
But I'm thinking it over anyway
FM7 FM7 FM7 FM7
D
I've come to find
Am
I may never know
C2
Your changing mind
Gm
Is it friend or foe?
D
I rise above
Am
Or sink below
C2
With every time
Gm
You come and go
FM7 FM7
Please don't come and go

CM7
 'Cause I am barely breathing
 G
 And I can't find the air
 Am
 I don't know who I'm kidding
 FM7
 Imagining you care
 CM7
 And I could stand here waiting
 G
 A fool for another day

 But I don't suppose it's worth the price, worth the price

 The price that I would pay

 FM7
 Well, I know what your doin'
 FM7
 I see it all too clear
