Ooohhh, Ooooooh,

::: D5/C D5 D5 D5/C D5 D5/F D5 :||

I'm a dead man walking here
That's the least of all my fears
Ooh, underneath the water

It's not Alabama clay
Gives my trembling hands away
Ooh, please forgive me father

D5
Ain't going back to Barton Hollow
Devil gonna follow me e'er I go
Won't do me no good washing in the river
Can't no preacher man save my soul

::: D5/C D5 D5 D5/C D5 D5/F D5 :||

Did that full moon force my hand?
Or that un marked hundred grand?
Ooh, underneath the water
Ooh, please forgive me father

Bb

Miles and miles in my bare feet

Dm

Still can't lay me down to sleep
