

# Blank Space

Taylor Swift

Capo V

C Nice to meet you, where you been? I can show you incredible things Am

Magic, madness, heaven, sin. Saw you there and I thought

F "Oh my God, look at that face. You look like my next mistake

G Love's a game, want to play?"

C New money, suit and tie. I can read you like a magazine Am

F Ain't it funny rumors fly and I know you heard about me

So hey, lets be friends. I'm dying to see how this one ends

G Grab your passport and my hand

F G I can make the bad guys good for a weekend

C So it's gonna be forever or it's gonna go down in flames

Am You can tell me when it's over if the high was worth the pain

Dm Got a long list of ex-lovers they'll tell you I'm insane

F Cause you know I love the players and you love the game

C Cause we're young and we're reckless, we'll take this way too far

Am It'll leave you breathless or with a nasty scar

Dm Got a long list of ex-lovers they'll tell you I'm insane

F But I got a blank space baby and I'll write your name

C Cherry lips, crystal skies.... I could show you incredible things Am

F Stolen kisses, pretty lies... you're the king baby I'm your queen

Find out what you want... be that girl for a month

G Wait the worst is yet to come, oh no

C Screaming crying perfect storms... I can make all the tables turn Am

Rose garden filled with thorns... keep you second guessing like:

F  
"Oh my god who is she? I get drunk on jealousy"

G  
But you'll come back each time you leave

F G \*  
Cause darlin' I'm a nightmare, dressed like a daydream
