

Bring It On Home

Little Big Town

Capo I

Intro: G C G C

C
You got someone here who wants to make it alright
C G C
Someone that loves you more than life right here
C
You got willin' arms that will hold you tight
C G C
A hand to lead you all through the night right here

D/F# C/E
I know your heart can get all tangled up inside
D/F# C
Don't you keep it to yourself

G C
When your long day is over
G C
And you can barely drag your feet
Em7 C
The weight of the world is on your shoulders
C/B Am7
I know what you need
G C G C
Bring it on home to me

C
You I know, I know you like the back of my hand
C G C
But you know I'm goin' to do all that I can right here
C
I'm gonna lie with you 'till you fall asleep
C G C
When the mornin' comes I'm still gonna be right here, yes I am

D/F# C/E
Take your worries and just drop them at the door

D/F# C
Baby leave it all behind

G C
When your long day is over

G C
And you can barely drag your feet

Em7 C
The weight of the world is on your shoulders

C/B Am7
I know what you need

G C G C
Bring it on home to me

F Em G/B
Baby let me be your safe harbor

F Am C
Don't let the water come and carry you away

G C
When your long day is over

G C
And you can barely drag your feet

Em7 C
The weight of the world is on your shoulders

C/B Am7
I know what you need

G C
Bring it on home to me

G C
Oh bring it on home

G C
Yeah, bring it on home to me, home to me

G C
Oh bring it on, bring it on, home to me

C
You got someone here who wants to make it alright

C C2
Someone that loves you more than life right here
