C F Dm
I thought that the world had lost its way

(it's so hard sometimes)

Dm C

then I fell in love with you (then came you)

and you took that away

(it's not so difficult, the world is not so difficult)

you take away the old, show me the new

and I feel like I can fly when I stand next to you

so what if I'm on this phone a hundred miles from home

I take the words you gave and send them back to you

[Pre-Chorus]
