Brother bought a coconut, he bought it for a dime

His sister had another one, she paid it for a lime

She put the lime in the coconut, she drank them bot' up

She put the lime in the coconut, she drank them bot' up

She put the lime in the coconut, she drank them bot' up

She put the lime in the coconut, she called the doctor, woke him up and said

Doctor, ain't there nothin' I can take?

I say, doctor, to relieve this bellyache?

I say, doctor, ain't there nothin' I can take

I say, doctor, to relieve this bellyache?

Now let me get this straight

You put the lime in the coconut, you drank them bot' up

You put the lime in the coconut, you drank them bot' up

You put the lime in the coconut, you drank them bot' up

You put the lime in the coconut, you called your doctor, woke him up

And said, Doctor, ain't there nothing I can take

I said, Doctor, to relieve this bellyache?

I said, Doctor, ain't there nothin' I can take

I said, Doctor, to relieve this bellyache?

You put the lime in the coconut, you drink 'em both together

Put the lime in the coconut, and you feel better

Put the lime in the coconut, drink 'em bot' up

Put the lime in the coconut, you call me in the morning
