

Fireflies

Owl City

Capo I

||: A D | G :|| 4x

A D
You would not believe your eyes

G
If ten million fireflies

A D G
Lit up the world as I fell asleep

A D
'Cause they'd fill the open air

G
And leave teardrops everywhere

A D G
You'd think me rude but I'd just stand and stare

G D/F# Asus
I'd like to make myself believe

G D/F# F#m G
That planet Earth turns slowly

G D G A Bm
It's hard to say that I'd rather stay awake when I'm asleep

G D E
'Cause everything is never as it seems

A D G
'Cause I'd get a thousand hugs from ten thousand lightning bugs

A D G
As they tried to teach me how to dance

A D G
A foxtrot above my head, a sockhop beneath my bed

A D G
A disco ball is just hanging by a thread

G Bm Asus
I'd like to make myself believe

G D/F# F#m G
That planet Earth turns slowly

G D G A Bm
It's hard to say that I'd rather stay awake when I'm asleep

G D A
'Cause everything is never as it seems

G
When I fall asleep

A D G
Leave my door open just a crack (please take me away from here)

A D G
'Cause I feel like such an insomniac (please take me away from here)

A D G
Why do I tire of counting sheep (please take me away from here)

A D G
When I'm far too tired to fall asleep

A D G
To ten million fireflies I'm weird 'cause I hate goodbyes

A D G
I got misty eyes as they said farewell

A D G
But ill know where several are If my dreams get real bizarre

A D G
'cause I saved a few and I keep them in a jar
