

Hallelujah  
Leonard Cohen

C      Am   C      Am

         C                   Am  
Now I've heard there was a secret chord

         C                   Am  
That David played and it pleased the Lord  
         F                   G                   C                   G  
But you don't really care for music, do you?

         C                   F                   G  
It goes like this, the fourth, the fifth

         Am                   F  
The minor fall, the major lift

         G                   E                   Am  
The baffled king composing, Hallelujah

         F                   Am                   F  
Hallelujah, Hallelujah, Hallelujah  
         C                   G                   C                   G  
Hallelu                   jah

         C                   Am  
Your faith was strong but you needed proof

         C                   Am  
You saw her bathing on the roof  
         F                   G                   C                   G  
Her beauty and the moonlight overthrew you

         C                   F                   G  
She tied you to a kitchen chair

         Am                   F  
She broke your throne, and she cut your hair

         G                   E                   Am  
And from your lips she drew the Hallelujah

         F                   Am                   F  
Hallelujah, Hallelujah, Hallelujah  
         C                   G                   C                   G  
Hallelu                   jah

C Am  
 You say I took the name in vain  
 C Am  
 Though I don't even know the name  
 F G C G  
 But if I did, well really, what's it to you?  
 C F G  
 There's a blaze of light in every word  
 Am F  
 It doesn't matter which you heard  
 G E Am  
 The holy or the broken Hallelujah

F Am F  
 Hallelujah, Hallelujah, Hallelujah  
 C G C G  
 Hallelu jah

C Am  
 Baby I've been here before  
 C Am  
 I've seen this room and I've walked this floor (you know)  
 F G C G  
 I used to live alone before I knew you  
 C F G  
 And I've seen your flag on the marble arch  
 Am F  
 And love is not a victory march  
 G E Am  
 It's a cold and it's a broken Hallelujah

F Am F  
 Hallelujah, Hallelujah, Hallelujah  
 C G C G  
 Hallelu jah

C Am  
 There was a time when you let me know  
 C Am  
 What's really going on below  
 F G C G  
 But now you never show that to me, do you?  
 C F G  
 But remember when I moved in you  
 Am F  
 And the holy dove was moving too  
 G E Am  
 And every breath we drew was Hallelujah

F            Am            F  
 Hallelujah, Hallelujah, Hallelujah  
 C            G            C            G  
 Hallelu                    jah

C            Am  
 Maybe there's a God above  
 C            Am  
 All I've ever learned from love  
 F            G            C            G  
 Was how to shoot somebody who outdrew you  
 C            F            G  
 And it's not a cry that you hear at night  
 Am            F  
 It's not somebody who's seen the light  
 G            E            Am  
 It's a cold and it's a broken Hallelujah

F            Am            F  
 Hallelujah, Hallelujah, Hallelujah  
 C            G            C            G  
 Hallelu                    jah

C            Am  
 I did my best, it wasn't much  
 C            Am  
 I couldn't feel so I tried to touch  
 F            G            C            G  
 I've told the truth, I didn't come to fool you  
 C            F            G  
 And even though it all went wrong  
 Am            F  
 I'll stand before the Lord of Song  
 G            E            Am  
 With nothing on my tongue but Hallelujah

F            Am            F  
 Hallelujah, Hallelujah, Hallelujah  
 C            G            C            G  
 Hallelu                    jah  
 F            Am            F  
 Hallelujah, Hallelujah, Hallelujah  
 C            G            C            G  
 Hallelu                    jah  
 F            Am            F  
 Hallelujah, Hallelujah, Hallelujah  
 C            G            C            G  
 Hallelu                    jah
