

Lay Down Beside Me

Don Williams

3/4 time

G G

G C D G

I spent my life looking for you

G C D G

Finding my way wasn't easy to do

D C G

But I knew there was you all the while

C D7

And its been worth every mile

G C

So lay down beside Me love me and hide me

G G D7

Kiss all the hurting of this world a way

G C

Hold me so close that I feel your heart beat

G D7 G

And don't ever wander a way

G C D G

Mornings and evenings all were the same

G C D G

There was no music till I heard year name

D7 C G

But I knew when I saw you smile

C D7

Now I can rest for a while

G C

So lay down beside Me love me and hide me

G G D7

Kiss all the hurting of this world a way

G C

Hold me so close that I feel your heart beat

G D7 G

And don't ever wander a way
