

Made Alive Again / Wind at my Back

Neal Morse / Spock's Beard

A2 A2  
A2 Em Em add9  
From a world that's never ending  
A2 Em Em add9  
From a sky beyond the skies  
G  
A child is born  
D A2 Asus4 A2  
And love is made alive  
A2 Em Em add9  
Like a flaw that seeks perfection  
A2 Em  
With a will that will survive  
G  
A child is born  
D A Asus4 A Asus4 A Asus4  
And love is made alive

A Am Em G

Dsus D Dsus  
You are the wind at my back  
D C2  
You give what I lack  
G/B Asus4  
You're the jewel in my hand  
A Dsus  
You're like rain on dry land  
D Dsus  
And my soul has been kissed  
D C2  
Just because You exist  
G/B Asus  
You're the gold that is free  
A Dsus  
You're the groom on one knee

D                  Dsus  
You are the wind at my back  
                  D                  C2  
You give what I lack  
                  G/B                  Asus4  
You're the jewel in my hand  
                  A                  Dsus  
You're like rain on dry land

                  D                  Dsus  
You're the focus the beam  
                  D                  C2  
You're reality's dream  
                  G/B                  Asus  
You're the blue in my black  
                  A                  G  
You're the wind at my back

Em D D D D

                  D                  Dsus  
You are the wind at my back  
                  D                  C2  
You give what I lack  
                  G/B                  Asus  
You're the jewel in my hand  
                  A                  Dsus  
You're like rain on dry land

                  D                  Dsus  
You're the flow that I feel  
                  D                  C2  
The illusion so real  
                  G/B                  Asus  
You're the ocean the tide  
                  A                  Dsus  
You're the door open wide

                  D                  Dsus  
And my soul has been kissed  
                  D                  C2  
Just because You exist  
                  G/B                  Asus  
You're the gold that is free  
                  A                  Dsus  
You're the groom on one knee

D Dsus  
You're the focus the beam  
D C2  
You're reality's dream  
G/B Asus  
You're the blue in my black  
A Dsus  
You're the wind at my back

D Dsus  
You're the wish that I make  
D C2  
You're the prize I might take  
G/B Asus  
You're the dream that's a fact  
A Dsus  
You're the wind at my back

D Dsus  
You're the flow that I feel  
D C2  
The illusion so real  
G/B Asus  
You're the ocean the tide  
A Dsus  
You're the door open wide

D Dsus  
And my soul has been kissed  
D C2  
Just because you exist
