

Say You Wont Let Go

James Arthur

Capo III

G D/F# Em C

G I met you in the dark, you lit me up

Em You made me feel as though I was enough

G We danced the night away, we drank too much

Em I held your hair back when you were throwing up

G Then you smiled over your shoulder for a minute, I was stone cold sober

Em I pulled you closer to my chest

G And you asked me to stay over I said, I already told ya

Em I think that you should get some rest

G I knew I loved you then but you'd never know

Em Cause I played it cool when I was Scared of letting go

G I know I needed you But I never showed

Em But I wanna stay with you until we're grey and old

G Just say you won't let go

Em Just say you won't let go

G I'll wake you up with some breakfast in bed

Em I'll bring you coffee with a kiss on your head

G And I'll take the kids to school, wave them goodbye

Em And I'll thank my lucky stars for that night

G When you looked over your shoulder for a minute, I forget that I'm older

Em I wanna dance with you right now, oh

G D/F#
And you look as beautiful as ever and I swear that everyday you'll get better
Em C
You make me feel this way somehow

G D/F#
I'm so in love with you and I hope you know
Em C
Darling your love is more than worth its weight in gold
G D/F#
We've come so far my dear look how we've grown
Em C
And I wanna stay with you until we're grey and old

G D/F#
Just say you won't let go
Em C
Just say you won't let go

G D/F#
I wanna live with you even when we're ghosts
Em C
Cause you were always there for me when I needed you most

G D/F#
I'm gonna love you till my lungs give out
Em C
I promise till death we part like in our vows

G D/F#
So I wrote this song for you
Now everybody knows
Em C
Cause it's just you and me
Until we're grey and old

G D/F#
Just say you won't let go
Em C
Just say you won't let go

G D/F#
Just say you won't let go
Em C
Oh, just say you won't let go
