Hey, white liar  
A E  
Truth comes out a little at a time  
E D  
And it spreads just like a fire  
A E  
Slips off of your tongue like turpentine  
D A  
And I don't know why  
E E  
White liar

E D  
You better be careful what you do  
A  
I wouldn't want to be in your shoes

If they ever found you out  
E D  
You better be careful what you say  
A  
It never really added up anyway  
E  
I got friends in this town

But your face has more to tell  
E D  
'Cause my cousin saw you on the street  
A  
With a redhead named Bernice

Turns out you don't lie too well
