

Wind at my Back
Neal Morse

C2 C2

C2

How can You be

G/Bb

Like a sky stretched out before me

F/A

And the world is turning Your way

Gsus G F

Even darkness is better this way

C2

Can it be true

G/Bb

That it all comes rushing from You

F/A

When my resistance is gone

Gsus G F C/E

And there's nothing that I can lean on

Dsus D Dsus

You are the wind at my back

D C2

You give what I lack

G/B Asus4

You're the jewel in my hand

A Dsus

You're like rain on dry land

Dsus D Dsus

You're the focus the beam

D C2

You're reality's dream

G/B Asus

You're the blue in my black

A G Em D D D D

You're the wind at my back

C2
 All of the above
 G/Bb
 I'll have the lot for my love
 F/A
 And as we're becoming somehow
 Gsus G F
 As we're changing the future to now
 C2
 I just want to live
 G/Bb
 In the place that You have to give
 F/A
 I'll let the heat beat me down
 Gsus G F Em
 Until the water comes down

 Dsus D Dsus
 You are the wind at my back
 D C2
 You give what I lack
 G/B Asus
 You're the jewel in my hand
