## You May Be Right Billy Joel

A						
Friday night I crashed your party, Saturday I said I'm sorry						
E						
Sunday came and trashed me out again						
Bm G						
I was only having fun, wasn't hurting anyone  E A						
And we all enjoyed the weekend for a change						
A						
I've been stranded in the combat zone, I walked through Bedford Stuy alone						
Even rode my motorcycle in the rain						
Bm G						
And you told me not to drive, but I made it home alive						
E A						
So you said that only proves that I'm insane						
E						
You may be right						
A						
I may be crazy						
E D						
Oh but it just may be a lunatic						
F#m A						
You're looking for						
E						
Turn out the light						
A						
Don't try to save me						
D E						
You may be wrong for all i know						
A A A A						
But you may be right						
A						
Remember how I found you there alone in your electric chair  E						
I told you dirty jokes until you smiled						
Bm G						
You were lonely for a man, I said "Take me as I am"						
E A						
'Cause you might enjoy some madness for a while
